

NOICE workshop on nonlinear optics and light-matter interaction

3 October, 2018

Conference Hall, CNR – Area di ricerca Napoli 3
Via Campi Flegrei 34, Pozzuoli (NA)

Speakers

Ady Arie (Tel Aviv University)
Luigi Consolino (CNR-INO, Firenze)
Gianluca Gagliardi (CNR-INO, Napoli)
Sharly Fleischer (Tel Aviv University)
Oliver Morsch (CNR-INO, Pisa)
Alberto Porzio (CNR-SPIN, Napoli)
Iolanda Ricciardi (CNR-INO, Napoli)
Yael Roichman (Tel Aviv University)
Jacob Scheuer (Tel Aviv University)
Tal Schwartz (Tel Aviv University)
Haim Suchowski (Tel Aviv University)

NOICE is a Joint Laboratory between CNR-INO and Tel Aviv University funded in 2017 by the Italian Ministry of Foreign Affairs and International Cooperation. The activities of the Joint Laboratory are focused on the field of nonlinear optics.

The workshop will be the arena of a fruitful and friendly exchange between Israeli and Italian scientists working in the field of optics and light-matter interaction, aimed to strengthen and expand the scientific and technological collaboration between the two countries.

Organization:

Maurizio De Rosa (maurizio.derosa@ino.cnr.it)
Simone Borri (simone.borri@ino.cnr.it)
Iolanda Ricciardi (iolanda.ricciardi@ino.cnr.it)
Stefania Arminio (stefania.arminio@ino.cnr.it)
Ph: +39-081-8675366
