BORSE DI STUDIO FINANZIATE NELL'AMBITO DEI PROGETTI PNRR

PhD program in Quantum Technologies – 38th cycle
Scholarships funded in the frame of the Italian PNRR

Oral interviews - Timetable

The oral examinations will be conducted through the platform Microsoft Teams. Candidates are requested to connect to the MS Teams meeting-room a few minutes before the assigned timeslot (see timetable below). The link to the meeting room is the following (you might have to copy and paste it in your browser):

<https://teams.microsoft.com/l/team/19%3aM2VZazWHxkbc1v2gffJpdx3y0LS7on5Y83GXh27GNo1%40thread.tacv2/conversations?groupId=2340ff6b-661e-4fd2-b832-4427ac86afc4&tenantId=2fcfe26a-bb62-46b0-b1e3-28f9da0c45fd>

In each timeslot, the interviews will follow the order indicated in the timetable reported below.

Please note the following rules:

- All candidates are encouraged to prepare very few slides that describe their recent research activity and/or their research interests. During the interview, they will be given up to 10 minutes to present these slides while sharing them with the committee members via screen sharing. The interview will then continue with some questions from the committee members.
- The candidates must enter the MS Teams meeting room with their real name.
- They should turn video and microphone off during the examination of other candidates.
- It is strictly forbidden to record the exams by any means.
- Candidates should keep their personal id ready for personal identification.
- The quality of the connection and audio/video should be sufficient to allow the candidate's personal identification, and to complete the exam without interruptions.
- We recommend candidates to install the MS Teams app (available for free at <https://www.microsoft.com/it-it/microsoft-365/microsoft-teams/download-app>).
- The interviews are public. Everyone who is interested in following them can connect to the link keeping microphone and camera off.
