CALL FOR APPLICATION FOR THE PARTICIPATION IN AN “ERASMUS+ BLENDED INTENSIVE PROGRAM” (BIP) AT THE UNIVERSITAT DE VALENCIA

We invite applications for the participation in “Erasmus+ Blended Intensive Program (BIP)” in **“First EuCAPT School: Cosmology”** from **September 18-22, 2023** at the Universitat de Valencia, Spain.

BIPs are short-term Intensive Study Programs, which include in-person and online attendance and in-person and online lessons. This program, in particular, will focus on the fundamentals and most recent developments of Cosmology as a science, including observational probes of the Early and Late Universe, and its theoretical foundations.

The call, having deadline on July 25, 2023 is addressed to students from the University of Naples Federico II who, at the moment of application, are regularly enrolled in the PhD programme in “Fisica Fondamentale ed Applicata”.

In-presence activities will take place from the 18th to the 22nd of September 2023 at the Universitat de Valencia. The selected students have to **guarantee at least 5 days in presence**.

All the activities will be held exclusively in English. Therefore, sufficient knowledge of English is required.

The students that will successfully complete the programme (virtual and physical mobility – both mandatory – and final project plus oral discussion) will receive 3 ECTS useful for the PhD programme.

2. ADMISSION REQUIREMENTS

The Selection Committee will select seven students, five funded and two without financial support. Applicants must be regularly enrolled in the PhD programme in Fisica Fondamentale ed Applicata of the University of Naples Federico II.

3. APPLICATION PROCEDURE

Interested students have to apply by the **deadline July 25, 2023** sending all the documents by e-mail to fabio.iocco@unina.it

The following documents have to be enclosed:

- Curriculum Vitae
- Motivational letter in English (max 250 words)
- pdf copy of relevant publications (in peer-reviewed journals) in the area of Cosmology.

The selection is the sole responsibility of the Department of Physics of University of Naples Federico II and consists in both titles evaluation and oral interview.

CRITERIA FOR THE FORMULATION OF THE RANKING

The Commission will assign the score as follows:

- Max. 30 points for the motivational letter and CV;
- Max. 25 points for the oral interview;
- Max. 5 points for English language knowledge.
- Being a registered member of the EuCAPT network will constitute preferential title in case of evaluation completely even on the basis of the three criteria above.

In case of incomplete documentation, the application will be rejected.

4. PUBLICATION OF RANKINGS

Rankings and information about the oral interview will be published on the Department's website starting from August 1, 2023. The selected students will be informed by e-mail.

5. AMOUNT OF THE FINANCIAL CONTRIBUTION

The first five selected students will be financially supported. The next two students in ranking could participate without the financial support.

According to Erasmus+ Programme, the financial contribution is established as follows:

Duration of in-person mobility:	Amount
Until the 7th day of activity	70 euro / day

A one-time-only extra amount of 100€ to the individual support of the EU contribution for an in-person mobility from 5 to 14 days, or 150€ for an in-person mobility from 15 to 30 days, is also available for students with fewer opportunities, with ISEE < €15,000 used for university purposes as

submitted by the Erasmus grant winners for their latest enrolling.

Students that will choose a “green” travel solution will receive another extra amount of 50€ one-time-only.

Further information about the financial contribution will be provided to the students that will be selected for this programme.

Erasmus+ contributions are related to the activities abroad and to the recognition of such activities by the University. Students that will not complete all the steps will have to return the whole amount of the contribution.

WITH FURTHER NOTICE INSTRUCTIONS WILL BE PROVIDED TO THE SELECTED STUDENTS

6 . PROCEDURE SUPERVISOR

Salvatore Verdoliva is responsible for any fulfillment related to this call for applications which does not fall under the responsibility of the Examining Boards. He may assign in writing to another employee of the organizational unit the responsibility for the procedural requirements.

7 . DATA PROCESSING

Information on the processing of personal data pursuant to art. 13 of Regulation (EU) 679/2016 laying down rules on the processing of personal data and the code regarding the protection of personal data, Legislative Decree No. 196/2003 supplemented and amended by Legislative Decree No. 101/2018

By filling in, delivering and transmitting the forms required for participation in this selection notice, the student provides his personal data to the University of Naples Federico II and assumes the quality of "interested party" to the processing of such data pursuant to of the art. 4, 1) of the EU Regulation.

PURPOSES AND MEANS OF PROCESSING:

The personal data provided during the application for participation or acquired subsequently during the relationship with the University will be processed for institutional purposes, in particular for administrative and accounting obligations related to the agreement. To this end, personal data such as name, surname, residence, personal data, tax code, contact details, address, email, data relating to the qualifications held, to the school career may be collected.

Personal data will be processed by authorised personnel both electronically, through the computerized management of the data, and in paper mode, through the collection, storage and use of documents in files, dossiers and archives.

MANDATORY PROVISION OF DATA AND CONSEQUENCES OF ANY REFUSAL:

the processing of personal data is mandatory for the purpose of assessing the requirements for participation in the aforementioned call. Particular categories of data (judicial data and particular state of health) are provided voluntarily to allow the University to carry out the procedure and/or the provision of the related services for participation. For these reasons, consent to the processing of data is not required. Any refusal will make it impossible for the University to fulfill these purposes and participation in the program.

COMMUNICATION AND DISSEMINATION OF DATA: Personal data will be processed for the performance of institutional activities according to the principles of lawfulness, necessity, non-excess, relevance and correctness, in accordance with European and national legislation and the University Regulations on the subject; the data may be disclosed in particular to the following subjects (Erasmus+ National Agency - INDIRE; European Commission, Ministry of Education, University and Research; University; Host company; Affiliated banking institution).

In compliance with the provisions on Transparent Administration (Legislative Decree No. 33/2013 and subsequent amendments) personal data, with the exception of the particular categories – referred to in articles 9 and 10 of the EU Regulation – are disseminated through publication on the university's institutional website for the period provided for by law.

RIGHTS OF THE INTERESTED PARTY: At any time the student may exercise his rights pursuant to articles 15-22 and 77 of the EU Regulation, where the conditions are met. The contact details of the Data Controller and the Data Protection Officer and the complete information for the interested party are published on the University website: <http://www.unina.it/ateneo/statuto-e-normativa/privacy>

The Director of Department of Physics
Prof. Gennaro Miele
